Why should I come?

Christian beliefs can help society avoid hurt and harm yet are increasingly marginalised. It's time to think biblically about why and how Christians should speak out, and get things straight on questions like:

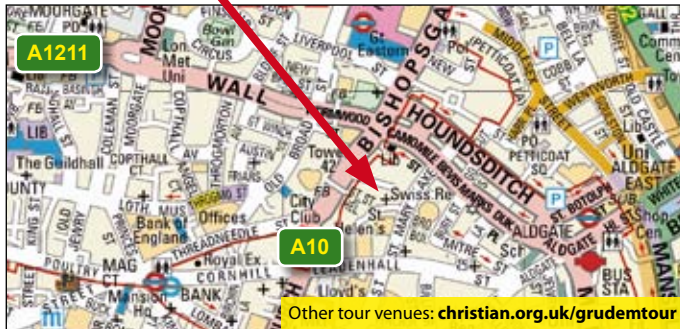

- ▶ Should we speak out on 'political' issues when the real problem is people's hearts?
- ▶ Should faith be kept as an entirely private matter?
- ▶ Can Christians ever agree on Bible-based responses to today's issues?

When and where?

5.30-7.00pm Thursday 24 June 2010

(follows Evangelical Ministry Assembly)

St Helen's, Great St Helen's, Bishopsgate,
London, EC3A 6AT
